

FOR IMMEDIATE RELEASE

Ajiri Slurry and Accessories: The New Authorized Distributor of Schurco Slurry Products

Johannesburg | 14 July 2023 – Ajiri Slurry and Accessories is proud to announce its establishment as a leading Broad-Based Black Economic Empowerment (B-BBEE) company and authorized distributor of Schurco Slurry products and accessory supplier. This milestone represents a significant step forward in promoting economic empowerment and providing high-quality slurry pumps and accessories to the relevant industries.

Ajiri Slurry and Accessories is committed to contributing to South Africa's economic transformation by promoting inclusivity, diversity, and sustainable business practices. With a clear vision to inspire people and provide trustworthy global supply chain solutions, our company aims to drive positive change within the industry while fulfilling our promise to serve our industry partners.

As a B-BBEE company, we strive to create equal opportunities for historically disadvantaged individuals and businesses, ensuring meaningful participation and increased access to economic resources. Ajiri firmly believes that true empowerment lies in collaboration and shared success.

Being an authorized distributor of Schurco Slurry products, Ajiri now offers a wide range of premium slurry pumps, parts and accessories to industries such as mining, mineral processing, power generation, and aggregate industries. Schurco Slurry is renowned for its exceptional quality, reliability, and efficiency, making it the preferred choice for companies around the world.

By partnering with Schurco Slurry, Ajiri aims to deliver superior slurry solutions that meet the rigorous demands of various sectors. Our extensive product range includes horizontal and vertical slurry pumps, replacement parts, and innovative wear solutions that enhance operational efficiency and minimize downtime.

Ajiri Slurry and Accessories is also a reputable supplier that specializes in providing a wide range of essential accessories to various industries. With a strong focus on safety and efficiency, we offer an extensive selection of personal protective equipment (PPE) to ensure the well-being of workers in hazardous environments. Additionally, Ajiri Slurry and Accessories caters to the needs of businesses by offering high-quality stationary supplies, enabling smooth day-to-day operations. Providing comprehensive inventory including an assortment of cleaning supplies, ensuring cleanliness and hygiene in the workplace. Moreover, we provide reliable conveyor belts, yellow equipment spares, bearings, valves, fasteners, greases, and tailings, all designed to meet the diverse requirements of industrial processes. Ajiri Slurry and Accessories is committed to delivering top-notch products, ensuring customer satisfaction and promoting a safe working environment.

The establishment of Ajiri Slurry and Accessories marks a significant milestone in our journey to empower local businesses and foster sustainable economic growth. We are dedicated to nurturing strong relationships with both our clients and suppliers, ensuring exceptional service delivery and promoting mutually beneficial collaborations.

Ajiri Slurry and Accessories adheres to the highest industry standards and is committed to ongoing training, skills development, and innovation. Our team of experienced professionals is well-equipped to provide expert advice, technical support, and tailored solutions to meet the specific requirements of our clients.

We invite interested organizations and stakeholders to partner with Ajiri Slurry and Accessories for all their slurry product needs. By choosing us as their supplier, they will not only gain access to world-class Schurco Slurry products and their accessory needs but also contribute to the social and economic upliftment of South Africa.
